proposed installation options

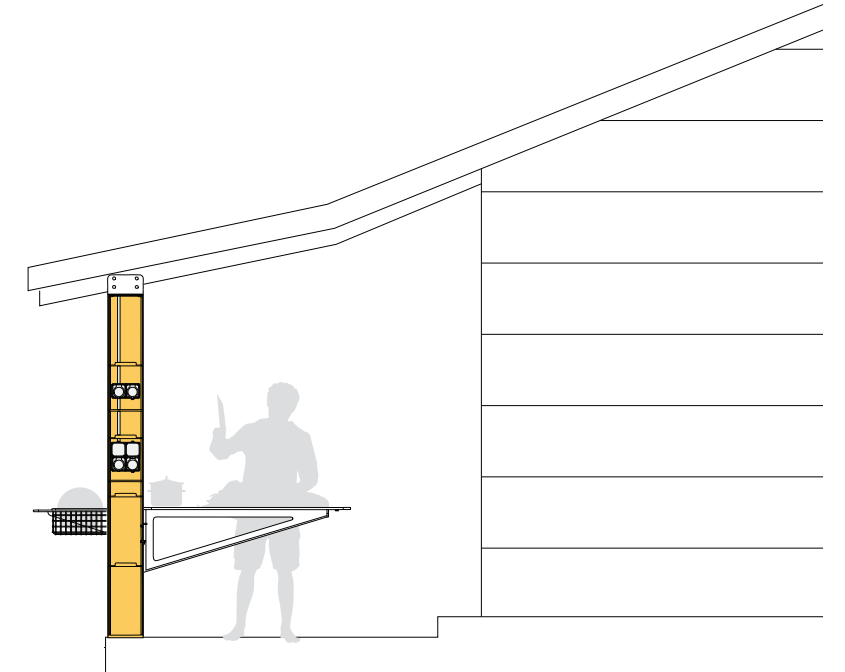

half height with basket

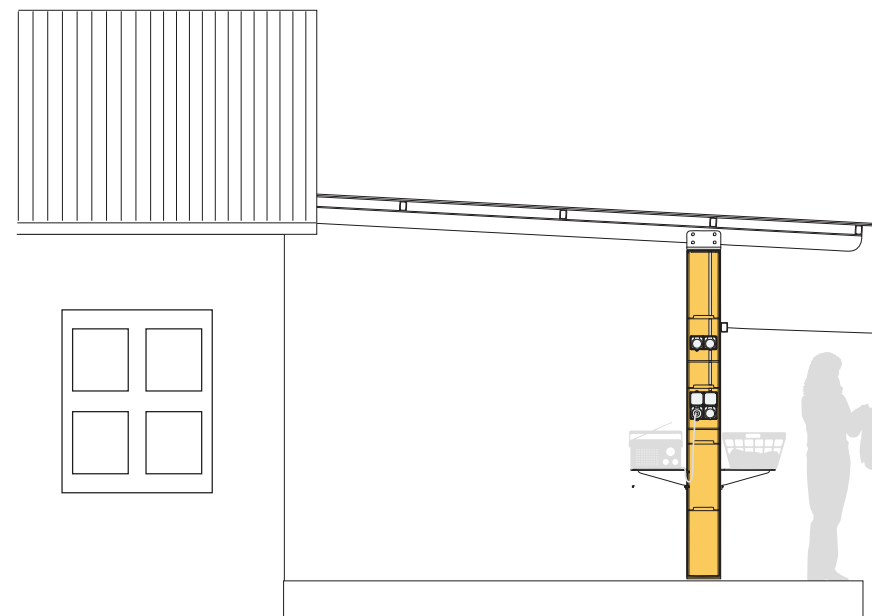

half height, 2x table,
power & tap

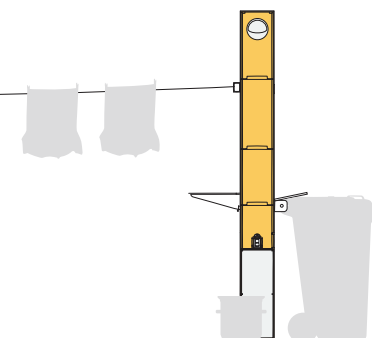

full height, stand alone
with 2x basket, lights
tap & power

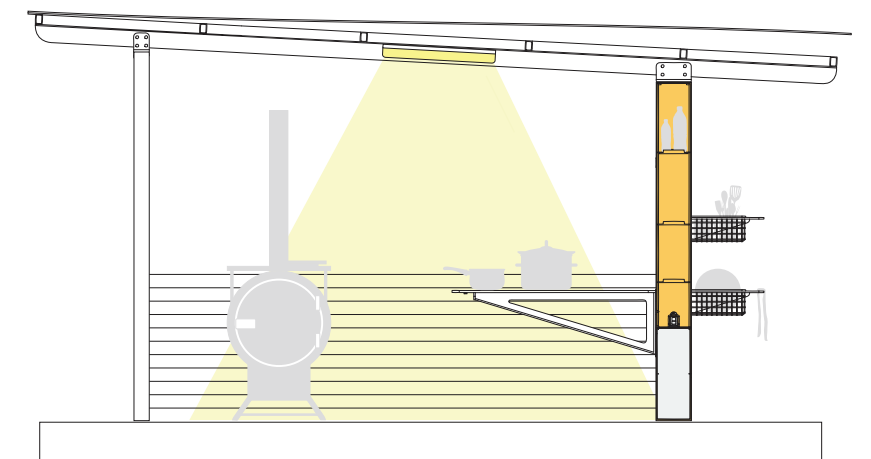

full height, integrated with basket,
lights, large table, power & tap

full height, integrated, 2x small tables,
lights, power

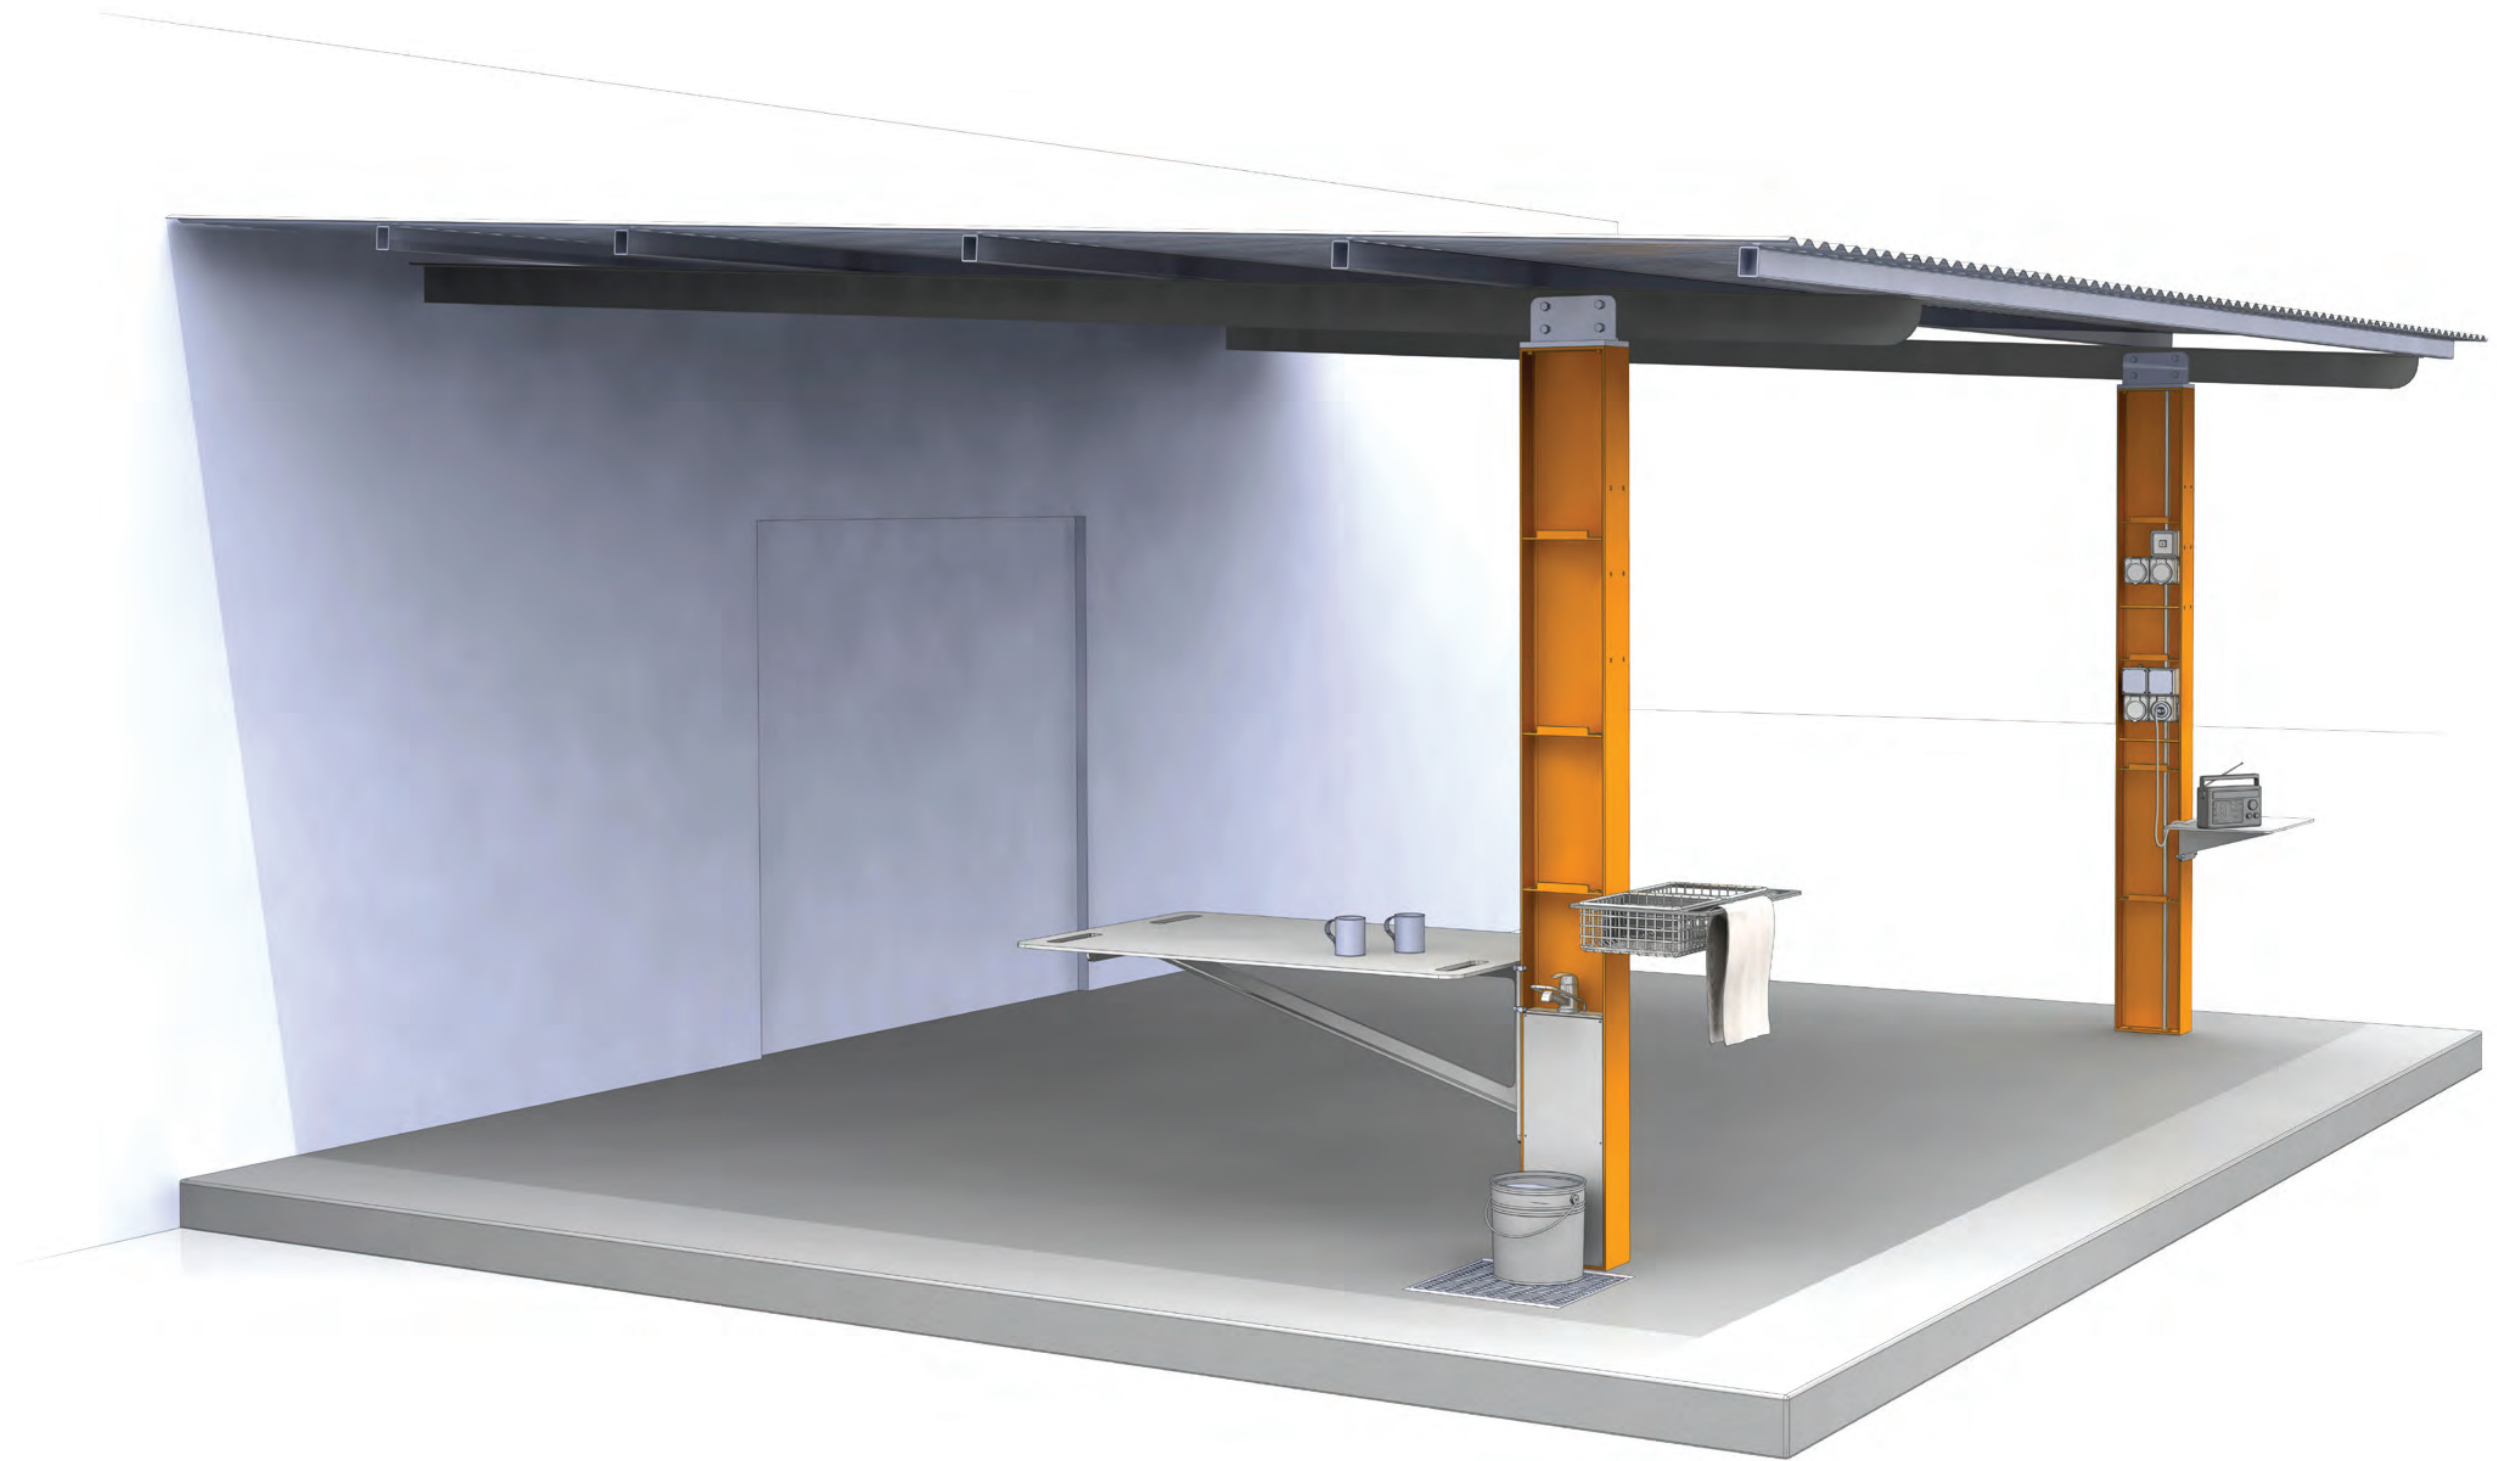

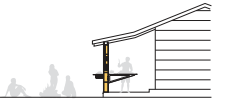

full height, stand alone
with Sulo bin holder, tap,
drain, power & small table

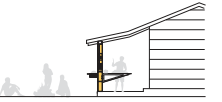

full height, integrated with basket,
lights, large table, power & tap

proposed installation options

large table, basket, tap, drain grate, power & lights

accessories

add water

Water access and drain:

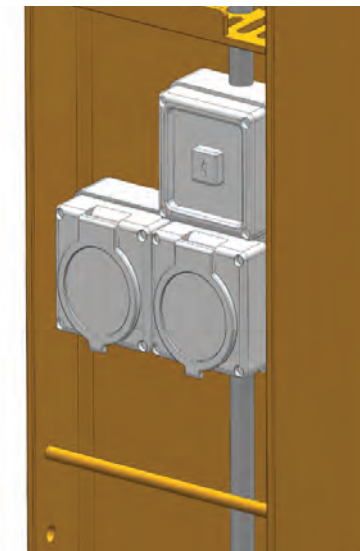

- Ewing flick mixer
- Galvanised steel tap guard
- Impact resistant polycarbonate plumbing guard
- Sump drain with hinged grate

Mounting height:
670 or 900mm with sink

add power

- Clipsal (IP 56) power facilities include:
 - 1 x junction box containing 2 outlets
 - 1 x isolator switch
- Additional junction boxes available

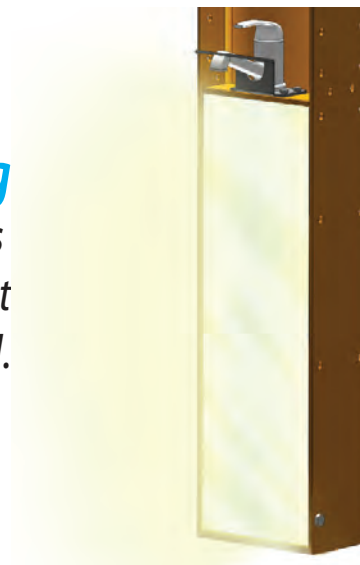

Mounting height:
1050 and / or 1700mm

add lighting

LED light boxes

- LED strips (IP 67) behind impact resistant
- Lexan translucent plumbing guard.

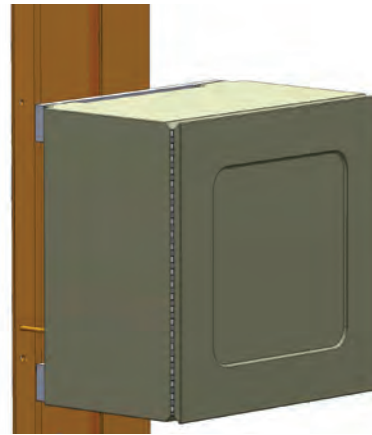

Mounting height:
under tap and / or
above top shelf

accessories

add storage

- Moulded cupboard** (600 x 600 x 370mm) features:
- Rubber gasket, protecting contents from heat, dust and insects
 - Magnetic closure
 - Strong mounting brackets

Mounting height:
1400mm (Bottom shelf)

add basket shelf

- Steel baskets providing storage for dishes, utensils etc.
 - includes integral towel rail
- 8mm hot dipped galvanised steel bracket
- 4mm stainless steel wire baskets (270 x 270 x 130mm each)

Mounting height:
1350mm

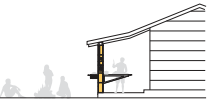

add table

- Providing surface for preparing food, resting laundry baskets etc.
 - 8mm hot dipped galvanised steel
 - 12mm recycled food grade PE table top
- 900 x 600mm table top

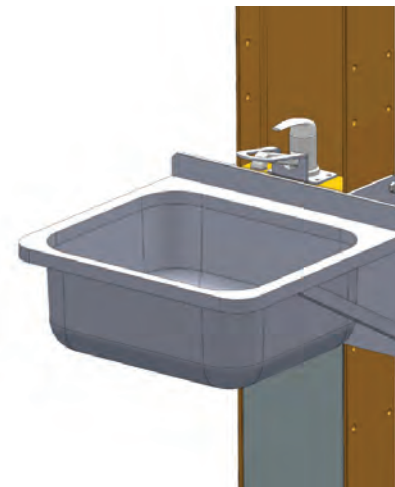

Mounting height:
900mm

accessories

add laundry

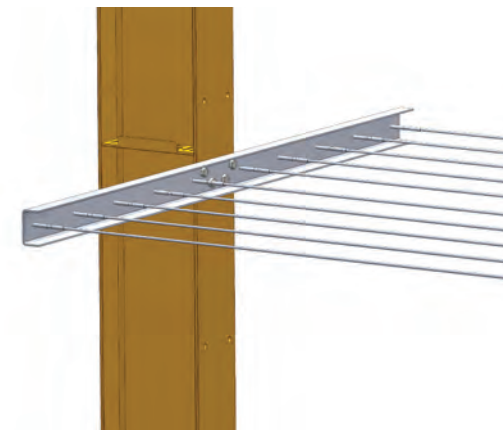

- S/S Jumbo sink tub (474 x 404 x 202mm) for:
 - washing dishes
 - washing children
- Robust galvanised mounting bracket

Mounting height:
900mm

add washing line

- Sturdy washing line capable of withstanding large spans
- 3mm high tensile Stainless Steel cable with integrated turn buckle
- Galvanised 'C' channel bracket (75 x 40 x 4mm)
- 10 x 8m lengths

height:

add bin

- Sulo wheelie bin holder
- Galvanised bin holding bracket
- Can be locked

Mounting height:
920mm

add key safe

- Supra S6 key safe provides secure onsite key management in areas of high use or multiple users

Mounting height:
1080mm (bottom)
